**THE PROMOTION OF ACCESS TO INFORMATION MANUAL**

**("Manual")**

## 1. PREAMBLE

The Promotion of Access to Information Act, 2000 ("**PAIA**") came into operation on 9 March 2001. PAIA seeks, among other things, to give effect to the Constitutional right of access to any information held by the State or by any other person where such information is required for the exercise or protection of any right and gives natural and juristic persons the right of access to records held by either a private or public body, subject to certain limitations, in order to enable them to exercise or protect their rights. Where a request is made in terms of PAIA to a private body, that private body must disclose the information if the requester is able to show that the record is required for the exercise or protection of any rights, and provided that no grounds of refusal contained in PAIA are applicable. PAIA sets out the requisite procedural issues attached to information requests.

Section 51 of PAIA obliges private bodies to compile a manual to enable a person to obtain access to information held by such body and stipulates the minimum requirements that the manual has to comply with.

This Manual constitutes N'tsiri Nature Reserve's PAIA manual. This Manual is compiled in accordance with section 51 of PAIA as amended by the Protection of Personal Information Act, 2013 ("**POPIA**"), which gives effect to everyone's Constitutional right to privacy and largely commenced on 1 July 2020. POPIA promotes the protection of personal information processed by public and private bodies, including certain conditions so as to establish minimum requirements for the processing of personal information. POPIA amends certain provisions of PAIA, balancing the need for access to information Ntsiri Nature Reserve against the need to ensure the protection of personal information by providing for the establishment of an Information Regulator to exercise certain powers and perform certain duties and functions in terms of POPIA and PAIA, providing for the issuing of codes of conduct and providing for the rights of persons regarding unsolicited electronic communications and automated decision making in order to regulate the flow of personal information and to provide for matters concerned therewith.

This PAIA manual also includes information on the submission of objections to the processing of personal information and requests to delete or destroy personal information or records thereof in terms of POPIA.

## 5. **OBJECTIVES OF THIS MANUAL**

The objectives of this Manual are:

- to provide a list of all records held by the legal entity;
- to set out the requirements with regard to who may request information in terms of PAIA as well as the grounds on which a request may be denied;
- to define the manner and form in which a request for information must be submitted; and
- to comply with the additional requirements imposed by POPIA.

## 6. **ENTRY POINT FOR REQUESTS**

PAIA provides that a person may only make a request for information, if the information is required for the exercise or protection of a legitimate right.

Information will therefore not be furnished unless a person provides sufficient particulars to enable N'tsiri Nature Reserve to identify the right that the requester is seeking to protect as well as an explanation as to why the requested information is required for the exercise or protection of that right. The exercise of a data subject's rights is subject to justifiable limitations, including the reasonable protection of privacy, commercial confidentiality and effective, efficient and good governance. PAIA and the request procedure contained in this Manual may not be used for access to a record for criminal or civil proceedings, nor should information be requested after the commencement of such proceedings.

The Information Officer has been delegated with the task of receiving and co-ordinating all requests for access to records in terms of PAIA, in order to ensure proper compliance with PAIA and POPIA.

The Information Officer will facilitate the liaison with the internal legal team on all of these requests.

### 13. REQUEST PROCEDURE

#### 13.1. Completion of the prescribed form

Any request for access to a record from a public body in terms of PAIA must substantially correspond with the form included in Appendix A hereto.

A request for access to information which does not comply with the formalities as prescribed by PAIA will be returned to you.

POPIA provides that a data subject may, upon proof of identity, request N'tsiri Nature Reserve to confirm, free of charge, all the information it holds about the data subject and may request access to such information, including information about the identity of third parties who have or have had access to such information.

POPIA also provides that where the data subject is required to pay a fee for services provided to him/her, N'tsiri Nature Reserve must provide the data subject with a written estimate of the payable amount before providing the service and may require that the data subject pays a deposit for all or part of the fee.

Grounds for refusal of the data subject's request are set out in PAIA and are discussed below.

POPIA provides that a data subject may object, at any time, to the processing of personal information by N'tsiri Nature Reserve, on reasonable grounds relating to his/her/its particular situation, unless legislation provides for such processing. The data subject must complete the prescribed form attached hereto as Appendix C and submit it to the Information Officer at the postal or physical address, facsimile number or electronic mail address set out above.

A data subject may also request N'tsiri Nature Reserve to correct or delete personal information about the data subject in its possession or under its control that is inaccurate, irrelevant, excessive, out of date, incomplete, misleading or obtained unlawfully; or destroy or delete a record of personal information about the data subject

that N'tsiri Nature Reserve is no longer authorised to retain records in terms of POPIA's retention and restriction of records provisions.

A data subject that wishes to request a correction or deletion of personal information or the destruction or deletion of a record of personal information must submit a request to the Information Officer at the postal or physical address, or electronic mail address set out above on the form attached hereto as Appendix D.

**13.2. Proof of identity**

Proof of identity is required to authenticate your identity and the request. You will, in addition to this prescribed form, be required to submit acceptable proof of identity such as a certified copy of your identity document or other legal forms of identity.

**14. PAYMENT OF THE PRESCRIBED FEES**

There are two categories of fees which are payable:

- **The request fee:** R50
- **The access fee:** This is calculated by taking into account reproduction costs, search and preparation costs, as well as postal costs. These fees are set out in Appendix B.

Section 54 of PAIA entitles N'tsiri Nature Reserve to levy a charge or to request a fee to enable it to recover the cost of processing a request and providing access to records. The fees that may be charged are set out in Regulation 9(2)(c) promulgated under PAIA.

Where a decision to grant a request has been taken, the record will not be disclosed until the necessary fees have been paid in full.

**14.1. Timelines for consideration of a request for access**

Requests will be processed within 30 (thirty) days, unless the request contains considerations that are of such a nature that an extension of the time limit is needed. Should an extension be required, you will be notified, together with reasons explaining why the extension is necessary.

**14.2. Grounds for refusal of access and protection of information**

There are various grounds upon which a request for access to a record may be refused. These grounds include:

- the protection of personal information of a third person (who is a natural person) from unreasonable disclosure;
- the protection of commercial information of a third party (for example: trade secrets; financial, commercial, scientific or technical information that may harm the commercial or financial interests of a third party);
- if disclosure would result in the breach of a duty of confidence owed to a third party;
- if disclosure would jeopardise the safety of an individual or prejudice or impair certain property rights of a third person;
- if the record was produced during legal proceedings, unless that legal privilege has been waived;

- if the record contains trade secrets, financial or sensitive information or any information that would put N'tsiri Nature Reserve (at a disadvantage in negotiations or prejudice it in commercial competition); and/or
- if the record contains information about research being carried out or about to be carried out on behalf of a third party or by N'tsiri Nature Reserve.

Section 70 PAIA contains an overriding provision. Disclosure of a record is compulsory if it would reveal (i) a substantial contravention of, or failure to comply with the law; or (ii) there is an imminent and serious public safety or environmental risk; and (iii) the public interest in the disclosure of the record in question clearly outweighs the harm contemplated by its disclosure.

If the request for access to information affects a third party, then such third party must first be informed within 21 (twenty one) days of receipt of the request. The third party would then have a further 21 (twenty one) days to make representations and/or submissions regarding the granting of access to the record.

#### 15. **REMEDIES AVAILABLE TO A REQUESTER ON REFUSAL OF ACCESS**

If the Information Officer decides to grant you access to the particular record, such access must be granted within 30 (thirty) days of being informed of the decision.

There is no internal appeal procedure that may be followed after a request to access information has been refused. The decision made by the Information Officer is final. In the event that you are not satisfied with the outcome of the request, you are entitled to apply to the Information Regulator or a court of competent jurisdiction to take the matter further.

Where a third party is affected by the request for access and the Information Officer has decided to grant you access to the record, the third party has 30 (thirty) days in which to appeal the decision in a court of competent jurisdiction. If no appeal has been lodged by the third party within 30 (thirty) days, you must be granted access to the record.

### **1. RECEIPT OF SUBJECT ACCESS REQUESTS**

- 1.1. A Subject Access Request may be received by Ntsiri Nature Reserve (“**N’tsiri Nature Reserve**”) in any of a number of different forms, including a telephone call, email, or letter requesting access to personal information. Subject Access Requests generally tend to originate from current or past employees, job applicants, clients or third parties acting on their behalf (particularly where criminal or civil proceedings are involved).
- 1.2. In the first instance, it may not always be clear that a data subject is making a Subject Access Request. Therefore it is important to be familiar with this policy to be able to identify a Subject Access Request.
- 1.3. If you receive what you believe to be a Subject Access Request in any form then it is important that you forward a copy of the request to the Information Officer (“**IO**”) immediately, who will manage the Subject Access Request.
- 1.4. In the case of a telephone call, it is best practice to inform the data subject that his/her/its request for information must be made in writing and cannot be processed otherwise. You should also notify the IO that the phone call has taken place.
- 1.5. Once you have passed the request on to the IO and have received an acknowledgement that it has been received, responsibility for processing the Subject Access Request will be managed by the IO and individuals from the relevant department within Ntsiri Nature Reserve (as applicable).

### **2. TIME PERIOD FOR THE RESPONSE**

- 2.1. N’tsiri Nature Reserve must respond to a valid Subject Access Request within a reasonable period but always within 30 days.
- 2.2. Where a Subject Access Request is missing any of its required elements, it is essential that a prompt request for the missing part(s) is sent back to the data subject asking for the missing elements.
- 2.3. Once all of the requirements set out above have been met and the request has become a valid Subject Access Request, the stated period for providing a formal response must be complied with.
